http://www.whitehouse.gov/omb/pubpress/2005/2005-10.pdf

DOE HQ Maintenance fees are paid using our Enterprise License Agreement.
Specifics: Large Business, Master Contract - NTE $50 million, was awarded simultaneously with a Delivery Order to purchase Oracle Technology Bundle for $4,991,207 provides new licenses for HQ.
Period of Performance: May 30, 2003 thru May 29, 2008 - (First year purchased 4800 named user license & maintenance. Continuing maintenance cost of $874,935.76 is due May 29th for the following 4 years – through 2008)
Background/Scope of Work: Oracle will provide support for the Department's Cyber Security initiative through the use of their Advanced Security (AS) product. AS provides triple-DES encryption of all data that is transported over the network or between application server and database. Oracle AS (release 8;16) is validated to NIST FIPS 140-1 at the Security Level 2. This will ensure that all combinations over the network will be transported in a secure manner. Oracle's Label Security (LS) will also be used to support cyber security. LS provides security solution based on labeling concepts used to protect information.
Phase I/ CLIN001: Initial Delivery Order:
The total cost of Phase - CLIN 001 is $4,991,207 – paid on May 30, 2003.
